Our team ring bells and knock on doors all over the country.

Bexley Mencap helps people with learning difficulties lead healthier lives through sport. Funding awarded from Postcode Community Trust.

Welcome from the directors

Clara Govier, Managing Director and Chair

Annemiek

loogenboom,

Country Director

Lorna Menzies, Managing Director and Head of Television

Rob Letham, Managing Director and Head of Finance

Since our beginnings in 2005, our sole purpose at People's Postcode Lottery has been to raise funds for charities and good causes, and also raise public awareness of their work.

We are pleased to report that 2019 was another exciting, and successful year. Players raised £138 million – £22 million more than the previous year. The total number of charities and good causes supported climbed to 7,500, while the total raised by players since our launch surpassed half a billion pounds – an outstanding achievement.

Meanwhile, 78 per cent of players across England, Scotland and Wales celebrated a win. We can confidently say that this year, both our players and supported causes have been true winners.

Sir David Attenborough, Dame Emma Thompson, George Clooney, Olivia Colman and Carey Mulligan were among the high-profile charity ambassadors and supporters to thank players for helping to transform lives and communities in Britain and beyond.

In July, we warmly welcomed the UK Government's announcement that it would increase the annual limit, from £10 million to £50 million, on the amount charity lotteries can raise. Our aim is to ensure charities receive the maximum amount of funding possible. For that reason, we had called on the UK Government to reform Britain's outdated charity lottery regulations.

This year's announcement was a landmark moment for us – the result of a long and hard-fought campaign. Success has only been possible thanks to the charity leaders who lent their voices to this ambition, along with the backing of many parliamentarians and the continued determination of our team. We say a special thanks to you all.

Street League uses sport to move young people into employment. Funding awarded from Postcode Sport Trust.

Sightsavers provides life changing eye care to some of the world's poorest communities.

The year was defined by the climate emergency. Globally, public attitudes shifted significantly, inspired by a new generation of climate activists. Governments around the world came under intense pressure to cut carbon emissions further and faster. The time for action is now. That is why, over the coming year, we will increase funding for climate change projects while working to reduce our own greenhouse gas emissions further.

Finally, a word of thanks to our talented team – none of the many achievements of 2019 would have been possible without their unstinting dedication. Together we make a difference.

Players make a difference in local communities across Britain.

About Novamedia and the Postcode Lotteries

When you play People's Postcode Lottery, you are contributing to positive, impactful change. The more tickets we sell, the more funds there are available for good causes.

Players support Whizz-Kidz, a charity that transforms disabled children's lives by providing essential equipment to live fun, active childhoods. Funding awarded from Postcode Children Trust.

Novamedia has been raising money for charities and good causes since 1989, when it created the world's first postcode lottery in the Netherlands. Its mission is simple but ambitious – to help create a fairer, greener world.

Today, it has lotteries in five countries – the Netherlands, Sweden, Britain, Germany and Norway. There are more than 11 million postcode lottery players who have raised more than 10 billion euros for charities and social initiatives worldwide.

Novamedia and the Postcode Lotteries were ranked the second biggest private charity donor in the world and the largest in Europe in 2018/19*.

How it works

People's Postcode Lottery is a subscription lottery where players sign up with their postcode and pay £10 a month. They are entered into all 20 monthly draws, with winning postcodes announced every day of the month. The funds raised go to good causes directly or are distributed by one of 20 independent, grant-giving charitable trusts.

Winning postcodes are announced every day. On World Gorilla Day, ZSL London Zoo's own troop helped reveal a £30,000 winning postcode.

With People's Postcode Lottery, players and good causes win.

WHERE THE TICKET PRICE GOES

How we have grown

People's Postcode Lottery began in Britain as a small pilot project 14 years ago. Since then, players across Britain have raised more than £500 million for thousands of good causes.

How we have grown

*Action Against Hunger and Peace Direct are funded via Postcode African Trust, Medical Detection Dogs is funded via Postcode Animal Trust, Women for Women International is funded via Postcode Equality Trust, Care International UK is funded via Postcode Global Trust, and Alzheimer's Society is funded via Postcode Support Trust. **Funds raised by players and awarded from Postcode Community Trust, Postcode Local Trust and People's Postcode Trust. *** England, Scotland and Wales

Players have raised more than £13 million for Maggie's so far. This funding is helping thousands living with cancer.

Emergency medical charity Magpas Air Ambulance received £20,000. Funds awarded from Postcode Community Trust.

£2.2 million has been raised for Guide Dogs. In 2019, players funded a litter of nine puppies to assist people with sight loss.

A big win for charity lotteries

In 2019, we celebrated the successful outcome of our longstanding campaign to increase the UK limit on charity lottery sales.

Under existing regulations, charity lotteries are limited to £10 million in sales each year. This limit, in place since 2005, means good causes lose out on vital funding.

For over four years, People's Postcode Lottery lobbied the UK Government to raise this limit and 'let us do more', so that charities and good causes receive the maximum amount of funding possible.

In July 2019, after in-depth research and consultation, the UK Government announced a five-fold increase in the annual amount charity lotteries can raise – to £50 million. This new limit is a hugely significant win for the sector – it will reduce bureaucracy and costs while unlocking additional vital funds for good causes across the country. The new limit should come into force in July 2020.

Our message to Government has always been to 'let us do more' – this five-fold increase will allow us to do exactly that.

Transforming lives and communities

Our players support a huge variety of charities and good causes. Here is just some of the transformational work made possible by these funds over the last 12 months.

Rapid British Red Cross assistance given to almost 450,000 people facing humanitarian emergencies.

Supported National Trust efforts to safeguard a stretch of the 10-mile-long White Cliffs of Dover. Funds awarded from Postcode Earth Trust.

Healthy breakfasts have been provided to 40,000 school children every day by Magic Breakfast. Funds awarded from Postcode Children Trust.

Helped towards the recovery of Africa's mountain gorilla population — Fauna & Flora International say there are now more than 1,000 of the animals living in the wild. Funds awarded from Postcode Planet Trust.

Woodland Trust has been able to buy Ben Shieldaig, a mountain in Scotland's western Highlands, and protect its ancient woodland.

The Silver Line has taken 115,000 calls from older people experiencing loneliness who were in need of friendship and support. Funds awarded from Postcode Support Trust.

An exhibition celebrating ocean liners and shipbuilding heritage toured to the V&A Dundee, drawing 126,000 visitors. Funds awarded from Postcode Culture Trust.

Guide Dogs is providing life-changing services to more than 360,000 people with sight loss.

Buttle UK £100,000

Funds awarded from Postcode Children Trust

Buttle UK received £100,000 to help children and young people growing up in poverty. Thanks to players, the charity will be able to fund grants of up to £2,000 for more than 200 children and families in need across the country. Through smaller, targeted grants, the charity helps cover the costs of everyday essentials, additional tuition or extracurricular activities, breaking down the barriers to learning and development.

Buttle supports children and families living in poverty.

Women in Sport received £100,000 to encourage more women going through the menopause to take part in physical activity. This unique initiative aims to help women remain stronger and healthier into later life.

Women in Sport are changing sport for women and girls everywhere. Players are helping achieve this.

ΑΡΟΡΟ

Total raised so far: £3,575,000 Funds awarded from Postcode Planet Trust

APOPO trains African giant pouched rats to make life-saving discoveries, sniffing out landmines and tuberculosis. APOPO's HeroRATs re-tested more than 250,000 suspected tuberculosis patients in 2019. The charity increased its number of partner health clinics, benefitting more than 1,000 people. In Angola, 1.5 million square metres of land were cleared of landmines.

Lightweight, with a sensitive sense of smell these rats are ideal mine detectors. Credit: Taylor Weidman/APOPO

NSPCC

Total raised so far: £3,322,465

NSPCC works to protect children and young people, with the goal of making child abuse a thing of the past. Players support its Speak out Stay safe programme and Childline service. In 2019, funding helped Childline counsellors provide almost 22,000 counselling sessions, giving young people an opportunity to talk about the problems or dangers they were facing.

Player raised funds help NSPCC stop child abuse and support recovery.

RNIB

Total raised so far: £2,238,440

Funding raised by players enabled the sight loss charity RNIB to expand its services in 2019. This allowed RNIB's Connect community to grow by 20 per cent. Led by blind or partially sighted people, Connect provides peer-to-peer support, as well as opportunities to build friendships and share knowledge and experience.

Players support RNIB's work with some two million people living with sight loss in the UK.

British Red Cross Total raised so far: £4,886,647

Players have supported the British Red Cross since 2013, enabling its work to assist communities in crisis around the world. These funds are helping to tackle ongoing food crises in Africa, support Syrian refugees in Lebanon and respond to the Ebola outbreak in the Democratic Republic of Congo.

Funding helps the British Red Cross support people in times of crisis. Credit: Alicia Melville-Smith/British Red Cross

Children with cancer and their families get emotional and practical support from Team Jak, thanks to players.

Team Jak Foundation £17,500

Funds awarded from Postcode Local Trust

Providing emotional and social support to children and young people with cancer and their families, Team Jak received funding to develop its Angel Garden. This outdoor area provides loved ones with a quiet space to remember those they have lost.

Funds raised for Positively UK are helping those living with HIV.

Positively UK £20,000 Funds awarded from Postcode Community Trust

Positively UK supports people living with HIV and is well placed to do so as it is also led by people living with HIV. The charity helps those affected deal with their diagnosis and the practical challenges of life with the condition. Player funding helps deliver a self-care toolkit to guide mentors and those seeking support in tackling important issues within the HIV community.

Vision Care for Homeless People provide eyecare to those who are vulnerable. Players help make this care possible.

Vision Care for Homeless People £17,500

Funds awarded from People's Postcode Trust

The charity provides eye care to homeless and vulnerable people in a welcoming and friendly environment. Funding raised thanks to players enables the organisation to develop its volunteer training and capacity.

This year's players and winners

Every day, people around Britain play and celebrate a win with with People's Postcode Lottery. By doing so, they raise muchneeded funds for good causes that contribute to a better, fairer world. The more tickets sold, the more funds are available to support thousands of projects in Britain and beyond.

Prizes range between £10 and £30,000, right up to a share of the monthly £3 million postcode millions prize. In August and December draws, books were added as prizes. More than 12,500 winning players in August received a copy of 365 Days Wild, published by supported charity The Wildlife Trusts, to embrace and enjoy the natural world around them.

In an exciting first, May's draw month brought two postcode millions celebrations – a total of £6 million was shared among 1,212 lucky winners across two winning postcode sectors in Torquay, Devon, and East Riding, Yorkshire.

Our #30KADAY campaign saw £30,000 for winning postcodes announced every day in the July, September and December draws. There were 329 winning tickets.

People's Postcode Lottery made its big screen debut, venturing into cinema screen advertising for the first time. The campaign – featuring high-profile charity ambassadors and supporters including Sir David Attenborough, Dame Emma Thompson, George Clooney, Olivia Colman and Cary Mulligan – enjoyed a prime spot ahead of the feature film Downton Abbey.

495 players in Dartford won £3 million between them in August.

Nine neighbours in Hull won £30,000 per ticket in July's #30KADAY prize campaign.

In September, 897 lucky players in St Helens shared £3 million.

A Bootle postcode saw six neighbours win together, as part of December's #30KADAY campaign.

Thanks to players, AfriKids can help thousands of children in Ghana stay safe, healthy and in school. Funds awarded from Postcode African Trust.

People's Postcode Lottery ambassadors

Jeff Brazier

"It's wonderful to meet so many winners, finding out what it means and how the money will make a difference to them and their lives. But with the Postcode Lottery, it's not just players who win... the good causes they support are winners too."

Danyl Johnson

"We've been knocking on doors and ringing bells right across the country – it's been an even bigger and better year, with millions of players celebrating a win and raising an outstanding £138 million."

Matt Johnson

"A memorable moment for me was showing a past winner in Wales a special message from a couple in Africa – they could see each other properly for the first time in years thanks to cataract surgery. This simple sight-saving operation was only made possible thanks to players just like her."

Fiona Philips

"Protecting the iconic White Cliffs of Dover, tackling loneliness through reading, transforming young lives through sport in disadvantaged areas... the funding raised by players is making a very real difference to communities right across the country."

Judie McCourt

"Players of People's Postcode Lottery are part of a community of people who are making a better world. Money raised by players is supporting people living with HIV, providing schoolchildren with a nutritious breakfast, covering underreported news and much, much more."

Our culture and team

We know that our greatest strength is our team – all 337 of us. People's Postcode Lottery is a workplace where everyone can progress and achieve their full potential. It offers a fun and rewarding culture combined with a strong focus on team engagement and development.

We invest up to 4 per cent of salaries in developing talent each year. In addition to external training, our in-house training division and academy provide team members with diverse learning and development opportunities to challenge and stretch them at every stage of their career.

We also encourage the team to spend two days a year volunteering with good causes and finding out how support from players makes a difference. From beach cleans and planting trees to packing books bound for libraries in Africa, more than two thirds of the team helped a charity in 2019.

To support development and progression, we undertook a business-wide job evaluation and benchmarking project. This informed a new grade structure and salary scale, and helped shape new opportunities for personal growth, skills development and clear career paths.

Find out more about our team and culture → www.postcodelottery.info/careers/culture

Gender diversity is already strong in certain parts of our business. Overall, our team is close to being gender-balanced, and our senior management team has **60:40 female to male representation**.

During 2019, we secured **Cycle Friendly Employer** accreditation. This national award – part of a Europe-wide scheme – recognises the standard of support an employer provides to its staff for cycling to work.

Team members have opportunities to learn how funding from players is making a difference to good causes.

We have a strong learning and development culture. Up to 4 per cent of salaries is invested in training each year.

We are proud to be Fun, Courageous, Sharing and Sustainable!

in *The Sunday Times* 100 Best Companies to Work For in the UK (2019)

Our approach to sustainability

Good Operations is what we call our approach to corporate sustainability and responsibility. We are committed to creating lasting social change while building a truly sustainable, low carbon operation.

In 2019, we completed a detailed business-wide carbon audit to help us identify the steps we must take to achieve our goal. We also formed steering and working groups to drive forward sustainability initiatives and champion our Good Operations agenda.

Our office electricity comes from **clean, green, renewable energy sources.** An in-depth facilities review was undertaken to identify further energy reduction measures for our offices.

The paper we use is **FSC certified**, guaranteeing material comes from responsibly managed forests that benefit society and limit damage to the environment.

Team members were offered a free, **reusable mooncup** to raise awareness of period poverty, break taboos around menstrual health and encourage waste reduction.

Good Operations

Our approach is built around five principles.

Customer-focused campaigning

Our customers are our players. We aim to engage our players and potential players in our mission – we take them on our journey, show them the incredible things that can be achieved by charities and good causes around the world, and thank them for their support.

Funding for resilience

People's Postcode Lottery is all about raising funds for good causes and helping to build strong social organisations. Our unique model of unrestricted, flexible and long-term funding gives our supported charities breathing space to step off the fundraising treadmill, build capacity and resilience, and focus on growing their services.

Operating with integrity

We strive to do the right thing and be the best we can possibly be. People's Postcode Lottery is committed to operating with integrity and transparency across all areas of our business. Our conduct is built around industry best practice. We go above and beyond to protect personal data and ensure safe, fair lottery participation.

A great place to work and meet

Our people are our greatest strength and the key to our success. We create a safe and inspiring workplace where they can be their best. We focus on their well-being and invest in their development. We aim to maintain a thriving, equal and respectful environment, guided by our values and continually shaped by our team.

Relationships built on trust and transparency

At People's Postcode Lottery, our relationships with our charities, our team and our suppliers are built on trust. Working closely with our partners, we undertake research and detailed analysis to better understand our areas of impact. At the heart of our business is trust – in our people, partners and suppliers – and a code of conduct based on transparency and fairness.

More on our approach to sustainability

www.postcodelottery.info/about-us/sustainability

"At People's Postcode Lottery, our core values include thinking and acting sustainably. So we are working hard on our own sustainability credentials to help ensure a greener, fairer planet. Our ultimate goal, together with Novamedia and the Postcode Lotteries, is to cut our greenhouse emissions, help tackle climate change and reduce our environmental footprint.

"We recognise the challenge in front of us, but we are courageous and ambitious, and we are working with our sister lotteries to meet our 2025 target."

Clara Govier, Managing Director

Governance

Licence and regulation

Postcode Lottery Limited is incorporated in England and Wales. It is licensed and regulated by the Gambling Commission, the regulatory body for gambling in Britain. Postcode Lottery Limited is the trading name.

As an external lottery manager, People's Postcode Lottery manages multiple charity lotteries on behalf of 52 charities and good causes.

Our operations are designed to ensure we meet set regulatory objectives: being crime-free, fair and open, and protecting children and other vulnerable persons from being harmed by gambling. Safeguards exist to ensure these objectives are met, and to ensure we operate with integrity. Winning postcodes are selected at random using certified draw-engine software in the presence of an independent adjudicator. People's Postcode Lottery is ISO27001 accredited – the widely recognised 'gold standard' in information security – and was among the first companies in the UK to be awarded the data protection standard BS10012. We cap the number of tickets per player to restrict the maximum amount which an individual could spend, and provide training to our customer experience team so that they feel confident dealing with people in vulnerable circumstances. We work to prevent underage play and problem gambling.

Place2Be works in schools to improve children's mental health. Thanks to players, they can reach even more youngsters to provide emotional and well-being support. Funds awarded from Postcode Children Trust.

12 Mansfield players won £390,000 between them.

A £3 million prize was shared between 377 players in York's YO31 9 postcode sector.

Trading address 28 Charlotte Square, Edinburgh, EH2 4ET, UK

Registered office 2nd Floor, 31 Chertsey Street, Guildford, Surrey. GU1 4HD
