People's Postcode Lottery, along with our sister lotteries, enjoyed another record year in 2021. By working together, our players raised €825 million for a better world.

In fact, a total of €11.7 billion has now been raised since our story began in 1989, with the launch of the first Postcode Lottery in the Netherlands.

We are proud to be part of an international family of lotteries which, today, operates in the Netherlands, Sweden, Great Britain, Germany and Norway.
